

TABLE OF CONTENTS

MP3 CD-ROM SET : RW11-9229

RWA 2006 ANNUAL CONFERENCE

This Table of Contents is provided to assist you when your MP3/CD player displays only track numbers for the MP3 files on your CD-ROM. The corresponding MP3 audio file numbers are also listed for ease of locating a session on the CD-ROM that you want to convert to a standard audio CD. [Click here to SEARCH for sessions.](#)

To play a particular session on your MP3 player, use this Table of Contents to locate the session title and its corresponding track(s) on the CD-ROM. For example: session 11-30 would show as track 12 of Disc 1 on your MP3 player. Cursor through your player's display to track 12 and press play.

The Day/Time column is for cross-referencing a session on the CD-ROM with the "RWA Workshop Handouts" book. Not all sessions have handouts. A few handouts and visuals are included on these CD-ROMs.
